Attempts to Get Interview With Acting Mayor; Seeking Telegram and Mail.

"Is there a message for me bert" asked the woman in the black mask at the Western Union Telestraph office Wednesday morning. She was very nervous and excited and when the clerk examined his envelopes and announced that there were none, insisted that he look again. He did and again said, "no."

nounced that there were none, instated that he look again. He did and again said "no"

"There should be one," she insisted. "I'm expecting a telegram from Chihuahua and it should have come last night. I'll be back later, but if it should come, please send it to Hotel Sheldon."

night. I'll be back later, but if it should come, please send it to Hotel Sheldon."

Immediately upon leaving the Western Union, the misterious woman walked to the city half and attempted to have an audience with actins mayor R. B. Stevens. She started to close the door, but Mr. Stevens Indignantly protested. "You let that door stay open," he said.

Firmly the woman, walked to the door and closed it. The acting mayor walked around his table and opened the door. "It's got to be this way," he said. "I came here because I'm in troughe," said the woman in the black mask. Falls to Get interview.

"Well, you would get out of a quicker, said the woman in the black mask. Falls to Get interview.

"Well, you would get out of a quicker, said Mr. Stevens, "I you are pred this masquerade. Don't you know that you are not winning the respect of the people by this sort of thing, and that it's against the law." "I'm sorry," said the woman, "but if I were not to wear this mask it would be very unfortunate."

And seeing that the acting mayor would not give her a private sufferee, the woman with the mask left the building. Did she go to Mr. Stevens to place before him a case—some trouble that either begins or ends in Chinanata." What would she have told him if he had given her the audience."
